

Huntsville Happenings

www.huntsvilletown.com P.O. Box 267 801-745-3420 August 2024

Town Council Meetings 1st and 3rd Thursdays each month at 6:45 PM

Planning Commission Meetings 4th Thursday each month at 6:30 PM

The Public is always welcome!

Huntsville Heritage Walking Tour

In coordination with the Weber County Heritage Foundation and Huntsville's 100 Years of Community Anniversary, Huntsville will be conducting a 7 to 8 block loop walking tour to see several old buildings in Town which will include six businesses and seven old houses. The tour will be held on Saturday, August 17, and will start at 10 AM in front of the Huntsville Mercantile at 7390 E 200 S. Please come and join us and learn the history of these old buildings and homes in Huntsville.

Loop Recycling Proposal

Loop Recycle is proposing a public drop-off in Huntsville Town to drop off specialty materials such as glass, Styrofoam, plastic films/bags, and plastic fruit containers. If the Town did accept Loop Recycle's proposal for the public drop-off, there would be a slight charge up to \$2 per month per household. Please submit feedback or any questions to www.looprecycle.co and if you would be interested in this service or the collection of a different material.

Off-Highway Vehicles On Town Street

We have posted this article in the last two newsletters to inform our residents of the specific restrictions for OHVs and golf carts in our Town. We have been notified by the Weber County Sheriff they will now start citing any violations they see. It is important for owners of these vehicles to follow the regulations because if a young driver receives a citation it may prohibit that young person from receiving their driver's license until they are 18 years old. The regulations that have been posted are as follows:

1. OHVs and golf carts are prohibited on the streets and roads between the hours of 10 p.m. and 8 a.m. until October 31st.

2. OHVs and golf carts are prohibited on First Street (or 100 South). OHVs and golf carts are allowed to cross 100 south to gain private access.

3. OHVs and golf carts are prohibited from operating on shoulders of the roads or the verge (which is the area between the paved road and private property lines).

4. OHVs are not allowed in Huntsville Park.

5. A person under age 16 may not operate OHVs, including golf carts, and an owner may not give that person permission to operate an OHV or golf cart on Huntsville streets and roads.

6. All operators 16 years of age or older must possess either a valid driver's license or an OHV Education certificate.

Food Truck Event

Huntsville Town is looking to create a food truck court in the Town's empty lots across the street from the library. We are exploring the idea of having several food trucks, with some entertainment, hopefully on a weekend day. Many towns offer Food Truck Fridays or Food Truck Tuesdays to help bring their communities together. Huntsville is exploring the idea of creating a permanent commercial area in the empty lots, and starting out with food trucks will be a test to see if business can flourish. We need more places to eat and to gather as a community. Stay tuned for more details to come.

4th of July Feedback Needed

We sent out a request via Town email a few weeks ago asking for comments, advice, feedback, suggestions, etc. for our 4th of July Celebration. Thank you to all who have responded. We have collected and sorted those comments. We are planning a meeting later with

our new coordinator for July 4th and others who are involved with our celebration. If you have comments or advice about our July 4th Celebration we are still open and accepting those comments/suggestions so we can address them at our meeting. You can email them to clerk@huntsvilleutah.gov and put 4th of July in the subject.

Mayor's Message

While the Dog Days of Summer are winding down, it's hard to believe Christmas, and we hope lots of snow and a beautiful ice rink, are just 140 days away. Our fabulous Independence Day celebration is in our rear-view mirror, and we would like to extend our appreciation to all who worked so hard to make it a very special day.

Concert in the Park

Please join us in the Huntsville Park on August 31, 2024, at 8:00 pm for Toast - the #1 Bread tribute band. We will have food, drinks, and our new 100-year anniversary Huntsville t-shirts and hats available. Proceeds will go towards the audio-visual system for the new community center. Bring your family, friends, lawn chairs, and blankets for an enjoyable evening.

Tickets are available at breadtribute.com - Huntsville residents use promo code HUNTSVILLE100 for \$10 off your ticket order.

Volunteers Needed

We are seeking volunteers during our concert for several tasks, which include: T-shirt and hat sales; and Ushers and ticket takers. Volunteers will receive free admission to the concert and a volunteer shirt. Please contact me at rsorensen@huntsvilleutah.gov or call 801-745-3420 for details or to volunteer.

Email Notifications

In an effort to encourage attendance at our Town meetings and to further increase transparency, we are now sending out meeting reminders and agendas via email. Make sure you are receiving Town email updates to get the latest details and notifications. Visit huntsvilleutah.gov/subscribe to sign up for updates.

That's all for now. Thanks for being great neighbors and friends.

Richard Sorensen
Mayor
