

Huntsville Happenings

www.huntsvilletown.com P.O. Box 267 801-745-3420 November 2024

Town Council Meetings 1st and 3rd Thursdays each month at 6:45 PM

Planning Commission Meetings 4th Thursday each month at 6:30 PM

The Public is always welcome!

Water Customer Contact Information

Our culinary water department would like to have your current contact information (phone number) in case you need to be contacted if there is an emergency water leak or other issue on your property. This would be helpful especially for secondary homeowners and in cases where you may be out of town. They are asking you to write the telephone number where you can best be reached on your next water bill payment. Thank you for your cooperation.

Town Holiday Decorations

Residents Carol and Cathy Stoker did a great job of organizing and decorating our downtown area last holiday season, and they plan to do it again this year. But they need your help putting up the decorations. They want to put up the decorations while the weather is still good in November. If you're willing to help please call Carol Stoker at 801-710-4588.

Town Hall/Community Center Update

Construction of our new Town Hall and Community Center is expected to be completed in a week or two. We plan to be in the building before the end of November. We are very proud that we have been able to pay for the new building without incurring any debt. But we are short of funds for the furniture, audio/visual equipment, and landscaping. I know we said a few months ago that we were asking for donations for the last time. It is close to the end of the year, and you may be thinking about your upcoming tax return—if you are looking for another tax write-off please consider donating to our new Town Hall. We will most likely have a small ribbon-cutting ceremony when we move into the new building. We will use the furniture we have from our old town hall and we are hoping to have the

funds we need for the new furniture by February. At that time, we will plan a more extensive Open House.

American Legion Flag Retirement

The American Legion Post 129 on Hwy 39 would like to remind you they have a flag disposal box inside their lobby for worn-out American Flags that need to be “retired.” The American Legion will hold a Flag Retirement Ceremony where they burn the retired American flags on Monday, November 11 “Veterans Day.” at 5 PM. A presentation will be made about the American flag and there will be a spaghetti dinner. The dinner is free for veterans.

Valley House Save the Date

The Valley House at 7310 E 200 S was recently purchased by Sherry Crandall. She is continuing the operation of the bed and breakfast in that facility. She is in the process of some remodeling and plans to have a Grand Opening with hors d'oeuvres and music in the late afternoon of December 7. Save the date and look for more details to come. Also, she is removing three historic, Victorian-style heat radiators from the house and they are available for anyone who may have a use for them.

Mayor Sorensen

We are not posting a “Mayor’s Message” in this newsletter because Mayor Sorensen is on a temporary absence due to a medical condition. The Mayor contracted bacterial meningitis in early October and this will require his full attention and energy to recover which may take up to 90 days. He has appointed Councilmember Sandy Hunter to be Mayor Pro Tem during his absence. We all pray for his full and speedy recovery.
