## **Christmas Lights & Decorations**

It's hard to believe that December has come and gone so quickly. We hope you have enjoyed the Christmas decorations and lights on Main Street. We have seen many people taking pictures of family and friends in front of the decorations (especially with the snowman family). This Christmas project can only happen if community members donate money and time to help with the decorating. We really appreciate those of you who have donated money this year. We are still accepting donations to make this project an enjoyable one for everyone in the years to come. We would like to give a big thanks to Alan Buttars and Cleo Crandall for their help in fixing the decorations after the fierce winds of December. Thanks again for your help. Have a very Happy New Year.

## **New Business in Town—Huntsville Sauna**

The Huntsville Sauna will be opening the week of January 5<sup>th</sup>. This is a new “pay-by-the-hour Sauna” in Huntsville. It is located just north of the Compass Rose and across from the Library at 150 S 7400 E. It will be open 7 days a week with 13 sessions a day. The first session will start at 6 AM and the last session will start at 9 PM. Sessions are 75 minutes—60 minutes plus 15 minutes for a reset. Inside you will find a changing room, seating for 6 people, and temperatures ranging from 165 to 180F. Outside there will be patio seating to cool off and views of Snowbasin and the Compass Rose. They recommend alternating between 15 minutes of heat and 3 to 5 minutes of cooling off for the duration of the session. Individual session passes are \$35 per person with discounts for larger groups, plus memberships starting at \$100 for 4 sessions and \$199 for unlimited sessions a month. The Huntsville Sauna is a locally-owned family business started by Kaitlin

Poulter and her partner, Grant Stanley, with the help of his sister, Rachel Stanley. They are excited to offer this new business that fits the vision of Huntsville of quiet luxury, in a walkable community and is also waterwise. Having grown up in Huntsville, this opportunity allows Kaitlin to meaningfully contribute to the community that shaped her, and she hopes the Huntsville Sauna is well used and loved by the community. Please reach out if you have any questions to [hello@huntsvillesauna.com](mailto:hello@huntsvillesauna.com) or 801-317-8580. You can book sessions online at [huntsvillesauna.com](http://huntsvillesauna.com) (the website is not active until January 5).

## **Winter Carnival**

The Huntsville Winter Carnival is scheduled for January 24. Let's pray for more snow and cold weather so we can have perfect weather—cold for ice; and plenty of snow for the ice sculptures and xc ski races.

## **Mayor's Message**

I want to wish you and your family a Happy New Year as we say goodbye to 2025 and welcome 2026. The new year gives us an opportunity to reflect on the past and, just as importantly, to look ahead to the future. Please know that Town officials are working hard, day in and day out, to ensure that Huntsville remains a vibrant and welcoming community, offering a high quality of life for all of us who are fortunate to live here.

## **Snowflake Ball Success**

The Snowflake Ball on New Year's Eve was a huge success. My sincere thanks to Chandlyr Shupe and everyone on the Entertainment Committee for organizing such a well attended and enjoyable evening. A great time was had by all. Looking ahead, many more exciting events are planned for 2026 as we celebrate our

country's Semi-quicentennial, marking the 250th anniversary of our nation's founding.
